

Uganda Trip 2010

On Monday 22nd March myself, Manuela Gomes and 12 excited Year 11 students stepped onto one of many planes that would eventually lead us to Kampala, Uganda. On our arrival we were met by Richard Tindell our PEAS contact and went straight to PEAS HQ to meet everybody there and find out more about how PEAS is run (www.peas.org.uk). During the course of our stay in Uganda we visited two PEAS schools (Onward and Upward in Kampala and Kiira View in Jinja), worked closely with Soft Power Education (www.softpowereducation.com) in Jinja and visited the Mukisa Foundation (www.mikwano.org) for children with special needs and the Bula orphanage (both in Kampala). Everywhere we went we were greeted and accepted with amazing warmth and generosity, more so than we could have even imagined. As you can see from the photos it was an amazing trip; we painted entire school buildings, took part in two whole school debates, taught some basic Portuguese, took part in Drama and ICT lessons, helped out in 2 pre-schools, painted a gigantic mural and made many new friends. It was this more than anything that made it such a wonderful trip; we met so many fantastic students and teachers and volunteers and carers - it was quite overwhelming at times. I hope you enjoy this small sample of the 1000's of photos and memories that we brought back from Uganda.
